8<sup>th</sup> February 2017

Dear Parent / Carer,

**The Big Bang Science Fair NEC**

We have the opportunity for Year 8 students to visit The Big Bang Young Scientists and Engineers Fair at the NEC in March. The event will enable students to spend the day exploring the hundreds of activities and workshops provided.

The Big Bang Fair allows pupils and adults to understand how important scientists and engineers really are.

**Date – Thursday 16th March 2017**

**Transport – Coach/School Mini bus**

**Time – 9am – 3pm**

**Cost – £5**

Please provide your child with a packed lunch or money to buy lunch. If you are entitled to free school meals please let me know and I will arrange a lunch.

**Places are limited so if your child is interested in attending we would ask that the reply slip below is returned as soon and payment is made via Parent Pay. Reply slips to be in to Miss Chapman by Friday 3<sup>rd</sup> March.**

As with all school trips, it is very important that the behaviour of our pupils is the best it can be. There will be times in the day where we will allow small groups of pupils to explore the event on their own. We would therefore ask that you discuss this with your child prior to the visit.

Behaviour of pupils inside school is always taken into account and so we reserve the right to withdraw your child at any point because of inappropriate behaviour.

Please feel free to contact me at school if you need any more information.

Yours sincerely,

Miss A Chapman  
Head of KS3
