Dear Parents

**S.A.T.s Meeting Invitation**

Many parents are beginning to ask questions relating to the tests their children will sit in May. Our annual meeting is being held on Thursday 4th February at 7.00pm.

This meeting will explain the tests in detail in Maths and English, show you examples of the new papers, give ideas for revision and of course give you the opportunity to ask any questions you may have.

Some parents have experienced S.A.T.s tests in Key Stage 2 with older children, but many changes are taking place this year which you may have heard of in the media. To help me gain an idea of who would like to attend the meeting would you please complete the form below and return it as soon as possible (whether attending or not). Assessment has changed completely in light of the removal of levels and so how the tests will be reported is something that will be explained in great detail.

Can I also take this opportunity to ask you to check regularly that all homework is being completed, a lot of it is important revision. Much of the work will be reinforcing classroom learning so children should know what to do; other activities may be research related or set to establish the children's knowledge, which will be followed up in the classroom. However, if you ever have any queries about homework please contact the relevant teacher via your child's homework diary or telephone to make an appointment.

After school Booster sessions have also been offered. Please can all forms be returned as soon as possible.

I look forward to seeing you on the 4th February.

Yours sincerely

A handwritten signature in black ink that reads "L. Guest". The signature is written in a cursive style.

L Guest  
Deputy Head Teacher

**This is by far the busiest term in our year, with the lead up to SATs week and lots of important revision taking place. (Monday 9th May). Can we please ask you to refrain from making Doctors/Dentists appointments during this week.**
