

SEN Register

If your child is on the SEN Register, their class tutor will have a copy of their entire Individual Provision Map. Your child will also have the targets section of the document stuck into their diary.

If you are meeting your child's tutor on Parents' Evening, they will show you their Individual Provision Map as part of your 5 minute meeting.

However, if you do not have an appointment with your child's class tutor or you would like to discuss your child's SEN provision in more detail, please contact Mrs Murray (SENCO) via the school office.

Electronic Equipment

Mobile phones are the only items to be brought into school if necessary and must be handed in to the office at the start of the day.

NO other electronic devices, such as ipods etc., are permitted in school.

Thank you for your cooperation.

SATs Parents' Meeting

I am holding a SATs Parents' Meeting on Wednesday 6th February at 7.00pm.

This meeting will explain the tests in detail in Maths and English, show you examples of past papers, give ideas for revision and of course give you the opportunity to ask any questions you may have.

Some parents have experienced SATs tests in Key Stage 2 with older children, but many changes are taking place this year which you may have heard of in the media.

Letters have been sent out with your child. Please complete the reply slip and return it to school as soon as possible to help me gain an idea of who would like to attend.

Thank you.

Don't just wear it—design and make it !

Woodfield Academy Fashion Club—DT Wed lunch time.

2013 has seen a new group of pupils joining Woodfield Academy Fashion Club. With the group being opened up to all years; some year 5s have made the most of the extra curricular opportunity and taken charge of what they would like to make through careful and creative planning alongside help from some of the older pupils in KS3.

This is the first stage of making the fun fleecy hat—measuring and pinning the hem of the hat in order to ensure a neat finish.

Decoration of the hats is essential and although pompoms were not in our original designs we changed our minds and decided to include them now that we have them.

Keep an eye on future newsletters for more photos showing the stages of how these hats are progressing.

Tickets can only be purchased prior to the event and will cost £5 for adults and £3 for children. Included in the price is your normal game ticket which covers six games of bingo and a sausage and chips supper to be served during the interval (vegetarian option available). Tea and coffee will also be available to purchase during the interval, however adults may bring their own alcohol with them if they desire. The event is open to all and if you would like to join the fun call the school on 01527 527081 and ask for Mr. Schofield.
