

10th March 2015

Dear Parents and Carers

I am writing to you with some good news regarding teaching arrangements for 6SA.

You will be aware that we were unable to recruit a permanent teacher for 6SA, in light of Mrs Athey's departure at the end of October. Despite this setback, we have been very grateful to Mrs Ellis and Mrs Aust, who have stood in to teach 6SA whilst our search for a permanent teacher has continued.

I am pleased to inform you that we have recently employed Mrs Spencer, who will become the 6SA class teacher and will commence her new role on April 13th 2015, at the start of the summer term. Mrs Spencer is very enthusiastic and is keen to meet and work with the children of 6SA and the Year 6 team.

Mrs Spencer will be in school to visit on Thursday 12th March and will have an opportunity to meet with 6SA, so I am sure you will have a full report from your child that evening. I am sure that it will be helpful for you to meet with Mrs Spencer at some point and we will arrange an opportunity to do so early in the summer term.

Yours sincerely

S Bond
Headteacher
