

Curriculum Update (September 2014)

Year 6

Welcome to the Autumn Term update, hello to all our new readers and welcome back to our regulars.

This year we are sending information in one 'delivery' which will include information on our curriculum, dates for your diary and homework etc all in one.

Curriculum

Attached you will find the curriculum overview for this half term. The jigsaw sheet gives an overview of the creative curriculum your child is involved in – at the moment it is Titanic.

On the reverse is the curriculum for all the new subjects taught outside of the creative curriculum so you can see exactly what will be taught and experienced.

Homework

In addition to weekly Maths homework (including tables) and English homework (including weekly spellings and daily reading), the following activities / tasks are put forward to pupils to produce.

The aim to develop free choice, independence and creativity, time management, organisation, thinking skills and problem solving skills will also develop along the way.

Pupils are expected to complete a minimum of 5 tasks of their choice during the term (of course they can complete more if they wish).
