

Curriculum KS3 Update

(Autumn 2014)

Welcome to the Autumn Term update.

This year we are sending information in one 'delivery' which will include information on our curriculum, dates for your diary and homework etc all in one.

Curriculum

Attached you will find the curriculum overview of the years curriculum for Year 7 (Autumn Term on reverse). This will also be available online.

At various stages through the year you will see that KS3 have a 'themed week' for example 'Being Unique' which begins on September 29th. This is a week where all their lessons will focus on that set theme.

Homework

An overview of homework is also included. This shows when tasks are being set. Pupils will still be writing these into diaries each week. More details and explanation of tasks will also be available online for some of the subjects.
