

13th January 2015

Dear Parents/Carers

SAT's Meeting Invitation

It is the time of year when many parents are beginning to think about the tests their children will sit in May and because of this, I am holding a meeting on Monday 26th January at 7pm.

This meeting will explain the tests in detail in Maths and English, show you examples of past papers, give ideas for revision and of course give you the opportunity to ask any questions you may have. There will also be revision guides on display for you to order.

Some parents have experienced SAT's tests in Key Stage 2 with older children, but many changes have taken place in recent years which you may not be aware of. To help me gain an idea of who would like to attend the meeting, would you please complete the form below and return it as soon as possible (whether you are attending or not).

Can I also take this opportunity to ask you to check regularly that all homework is being completed, a lot of it is important revision. Much of the work will be reinforcing classroom learning so children should know what to do; other activities may be research related, or set to establish the children's knowledge, which will then be followed up in the classroom. However, if you ever have any queries about homework please contact the relevant teacher via your child's homework diary, or telephone to make an appointment.

Finally, as we begin the Spring Term, can I on behalf of all the year 6 team, wish you a Happy New Year.

Yours sincerely

L Guest
Deputy Head

This is by far the busiest term in our year, with the lead up to SAT's week and lots of important revision taking place. (Monday 11th May and lasts all week). Can we please ask you to refrain from making Doctors'/Dentists' appointments, or booking holidays during this week.

.....
Name of Child.....Class.....

I will/will not be attending the SAT's meeting on Monday 26th January at 7pm.

My child does/does not have internet access at home.

Signed.....Parent/Carer.
